

FLAT FILES

Storage Collection

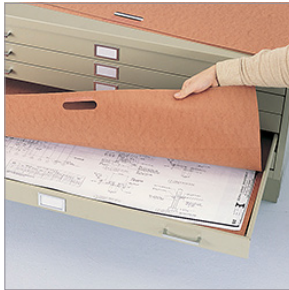

Flat Files Storage Collection

From architectural drawings to fine art, the Flat File collection is designed to keep oversized materials organized, accessible, and secure. Built with durable steel construction and space-saving stackability, Flat Files provide dependable storage for documents that deserve more than a rolled-up solution.

ORGANIZE

Quickly identify contents with integrated label holders

STORE

Suited for oversized documents, drawings, plans, and more

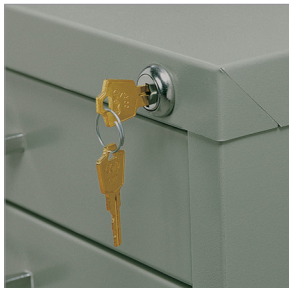

STACK

Use individually or stack units to maximize vertical storage

ACCESS

Elevate storage for easier drawer access

SECURE

Optional lock kit includes lock and two keys

OPTIMIZE

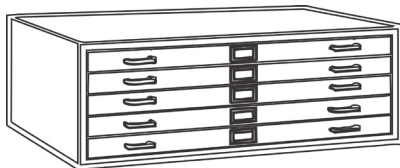

Add drawer dividers for additional organization

Flat Files Features
