

ARCOZI

Seating Collection

Strikingly different.

The Arcozi seating collection brings character, comfort, and continuity to any environment. With its soft curves, artful design, and mix-and-match finishes, Arcozi sits well in any space. Whether looking to blend in or stand out, take a seat with Arcozi.

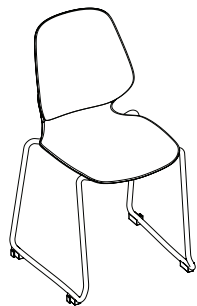

Founded in 1966, Safco Products designs furniture that's made for the way people work today. As part of Liberty Diversified International—a third-generation, family-owned company—Safco is built on a legacy of quality, quick delivery, and thoughtful design. From seating and desks to technical workstations, our products bring function and flexibility to any environment, helping customers create spaces that reflect their brand and work style.
