

JURNI

Table Collection

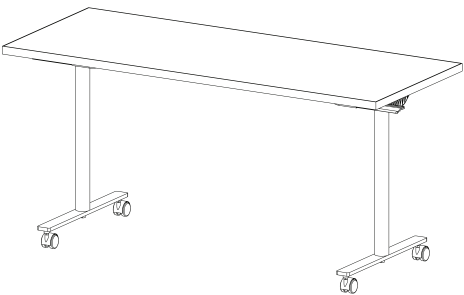

Jurni anywhere.

The Jurni table collection can go anywhere—literally and figuratively. With a neutral aesthetic and extensive selection, Jurni tables create cohesively designed spaces. Perfect for training rooms, café spaces, or office desks, where you take the Jurni is endless.

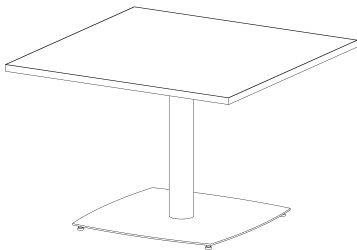

Safco Products, founded in 1966 and based in Minnesota, designs functional, approachable furniture for modern workspaces. As part of Liberty Diversified International, a fourth-generation family-owned company, Safco emphasizes quality, fast delivery, and thoughtful design. Our curated product lines—ranging from seating and desks to tech workstations—are built to support a wide variety of environments, from offices to industrial settings. With a focus on simplicity and flexibility, Safco helps customers create spaces that reflect their brand and culture while making it easy to get what they need, fast.

“Jurni’s neutral design language ensures long term visual relevance within virtually any application or environment.”

- Shawn G., Product Designer

“Jurni training tables are incredibly easy to design with, thanks to the widths coming in 6” increments. This makes it simple to create many different training room configurations. Additionally, the 18” deep option is essential for rooms where high capacity is a priority.”

- April N., Space Planner
